

Required Summer Reading

NEW THIS YEAR

All students entering grades 2-8 will be required to read one book over summer vacation. Each student has a choice of three titles. The students will be given an Accelerated Reader comprehension test or a written multiple choice test on the book the second week of school. In addition to the AR or comprehension test, each student will complete a written assignment during library class the second week of school. Both the AR test and the writing assignment will be a part of the first quarter reading grade.

All lists will be available on the IWA website by June 15, 2011.

If your child has read a title on the list, then he/she must choose a different title as AR will not allow you to retest on a book you have previously tested. If your child has read all three titles then please contact Mrs. Galla via email to make special arrangements.
